All About Me

I was born and raised in a seven square mile town in the Blue Ridge Mountains of Virginia. I have lived in Delaware and all over the state of Maryland— on a farm and in the city. Now, I live on the Bay! Queen Anne's County is where I call home. When I am not at school, I enjoy running, yoga, and spending time with my husband and my dog, Rudy. My husband is a fire fighter, so we spend a lot of our free time with our fire family! We love to spend time on the water. We also enjoy going antiquing and refinishing old furniture too. Pink is my favorite color and I love anything with a hippopotamus!

Education

College

Wilmington University, Delaware
Elementary & Special Education

High School

Galax High School, Virginia

Favorite Childhood Memory

Whenever we would go on a long car ride, my dad would buy Yahoo chocolate milks and cookies and cream candy bars for me and my brother--it's still a tradition for my road trips!

I am excited to be at Monarch Annapolis because...

The diverse culture and rich history are one of the many reasons I love the Annapolis area. I absolutely love teaching Kindergarten; playing, exploring, observing, questioning... what's not to love? We have so much fun learning together!

My Favorites!

Food: Sushi & Chocolate

Movie: Steel Magnolias

Book: Anything by Shel Silverstein or Mo Willems

Sports Team: The O's and Buffalo Sabres

Music: Folk/Bluegrass and 70's

Hobby: Running, Yoga, and antiquing

If I could have any other job, it would be... a radio talk show host or a children's book author
