All About Me

I was born and raised in Maryland. I have lived in Anne Arundel County, just outside of Annapolis, since I was in middle school.

When I'm not teaching, I spend all of my free time with my family. Eric Day, my husband, also works for AACPS. We have two little boys, Dylan and Ace. Our family enjoys spending time outside. The boys like to go exploring, look for insects and other animals, and play in the sandbox. In the summer, we travel to Ocean City for vacation as often as possible. We also like to visit our family in Ohio where Mr. Day is from.
