## ALL ABOUT ME

I was born and lived in San Francisco, California until I was in second grade. I then moved to Connecticut where I lived until I graduated high school. I attended the University of Pittsburgh in Pittsburgh, Pennsylvania for the past five years pursuing my Bachelors and Masters degrees. I am excited to be back in Maryland, where I spent all of my summers sailing.

Besides teaching, I love to travel! This past summer, I explored fifteen cities and ten countries in Europe. It is my goal to visit all 50 states.

I love to spend time with family and friends. My favorite place to be is on the water- either on a beach or on a boat in the Chesapeake Bay.

## Favorite Childhood Memory

My favorite childhood memories were going to the Rhode Island beaches with my family and going to sailing camp in Annapolis.

I am excited to be at Monarch Annapolis because...

I've wanted to teach Kindergarten ever since I was in Kindergarten myself (see photo). I am very excited to teach students in Annapolis, where I had some of my favorite memories from when I was young.
