ALL ABOUT ME

I have lived in Anne Arundel County almost my entire life and love the diversity of environment our state has to offer. I love boating, fishing, hiking, and skiing and can do all of those activities in Maryland.

The best part of my life, other than being a principal, is my family. My husband and I have wonderful children – Daniel, Andrew and wife Liz, and Abby and boyfriend Matt. With four grandchildren and one on the way, we have some fun family times. We also have a sweet little dog named Bear.

When I am not working, I like to cook big meals for my family.
