ALL ABOUT ME

I am first generation born and raised in Maryland with parents from Colombia and Bolivia. I am natively bilingual in English and Spanish and have traveled to several different countries. I love learning different cultures, cooking, playing soccer, and salsa dancing!

Besides being an awesome parent resource here at Monarch Academy Annapolis, I am also a mommy and wife! My husband Rudy and I have 3 little ones, CJ, Lucy and Valentina. If I am not at work, I'm probably on the fields with year round sports.

Looking forward to meeting and working with everyone of you!

Favorite Childhood Memory

My favorite childhood memory is traveling to Bolivia every summer with my grandmother to see all of my cousins. We would travel to the rivers, mountains and amazons. Here in the states, it's only my siblings and my parents, so traveling to see my family was the best!

I am excited to be at Monarch Annapolis because...

Starting a brand new school is exciting! For the past 7 years I worked serving only the Hispanic community in my schools, but now I will have the opportunity to serve all the families here at Monarch Academy Annapolis.
