

MEET THE STAFF!

Monarch Global
Academy

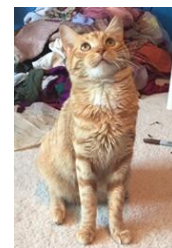

The Basics!

My Name is Ms. Amy Knoblauch! I am very excited to begin my first year teaching at Monarch Global Academy. Before coming to work at Monarch, I spent three years teaching at an international preschool in Osaka, Japan. It was a wonderful experience that led me to become a teacher in America. I am the oldest of three with a sister and a brother. I currently live with my sister, Rachael, and my cat, Loki. In my spare time, I like reading, scrapbooking and riding horses. Some of my favorite books are Little House on the Prairie, Harry Potter, and The immortals Series by Tamora Pierce. I'm looking forward to meeting new people and starting a new journey this year!

My Childhood

- I was born in St. Mary's County Maryland and spent all of my childhood in the county. I grew up in a house in the woods in a place my best friend said was "five miles past nowhere". It took us 25 minutes to get to the nearest grocery store!

My Education!

- I completed my undergraduate degree at Randolph-Macon College in Ashland, Virginia with a major in International/Asian Studies. During my time at RMC, I studied abroad at Kansai Gaidai University in Japan. I loved it so much I had to go back! After spending three years living in Japan (and discovering my passion for teaching), I decided to move back to America to get my master's degree. I graduated with my MAT in Early Childhood Education this year from Towson University!
