

MEET THE STAFF!

The Basics!

My Name is Mrs. Amy Rubin! I am the very proud Speech-Language Pathologist of Monarch Global Academy. This will be my 1st year at MGA but my 21st year as an SLP. I am married and have 2 children: Daniel, who is in the second grade, and Sarah, who is in the eighth grade. They are active in tennis, gymnastics, Minecraft, music, and drama. There is always someone singing or playing an instrument in our house!

My Childhood!

I grew up in Rockland County, NY. During that time I was interested in theater, music, travelling, and community service. After college and graduate school, my husband and I moved to Maryland in 1996. We are celebrating our 22nd anniversary in August.

My Favorites!

- Food:** Italian
- Movie:** Men in Black, Back to the Future, Star Wars

- Hobby:** Reading, Scrapbooking
- Subject:** English
- Store:** Target, Michael's Crafts
- Dessert:** Ice-Cream
- Candy:** m & m's
- Restaurant:** Olive Garden, Hibachi Steakhouses
- Flower:** Tulip

My Education!

"Communication is the essence of human life" – Janice Light.
I earned my undergraduate degree in Hearing and Speech Sciences from Ohio University. I earned my Master of Arts degree from Edinboro University of Pennsylvania in Speech Language Pathology. It is a thrill for me to help children communicate to their full potential; whether they need to learn to say their name or recall information to follow a sequence of steps. I have worked in AACPS for 20 years!
