The Basics!

My Name is Miss Allison Kane! I am a kindergarten teacher at Monarch Global Academy. This will be my 2nd year in kindergarten but my 3rd year at MGA. Before finding a love of teaching this age group, I was a special education resource teacher here in the building.

My Childhood!

I grew up in the town of Ashland, Pennsylvania where I was always very close to family. My parents had their hands full with 5 daughters. Being the middle sister I had the best of both worlds in experience with siblings. I lived away from home during college but I am officially the first of my family to move out of our small area of Pennsylvania.
