

MEET THE STAFF!

Monarch Global
Academy

The Basics!

My Name is Mrs. Brittany Robey! I am the school psychologist at Monarch Global Academy. This will be my 4th year as a school psychologist with AACPS. During my time as a school psychologist, I've worked mostly in elementary schools and with the child find early intervention team, but completed my internship with AACPS at Old Mill High School. While in undergrad and graduate school, I gained experience working with significantly disabled children at St. Elizabeth School and Sheppard Pratt, both located in Baltimore, MD. I am married to Kevin Robey and we have a 1-year-old son, Eli. My husband works for the federal government. We are a Ravens football, Orioles baseball, and Washington Capitals hockey family!

My Childhood!

I was born and raised in the Baltimore area, specifically, Elkridge, MD where my parents still live. I have a younger sister, Samantha, who is now a rock star nurse at Johns Hopkins in the PICU. My parents are the most supportive, loving people and gave us an amazing childhood. I was very athletic and sports were a huge part of my childhood. I played basketball and softball since I was 4 years old and also rode horses competitively since age 7. I still play and ride occasionally!

My Education!

I've always loved school since the 1st day I walked through the door. I attended private schools growing up. I went to Our Lady of Victory for elementary and middle school. I went to Mount de Sales Academy in Catonsville, MD for high school and graduated in 2006. I attended Stevenson University in Owings Mills, MD for undergraduate and earned a Bachelor's in Psychology in 2009. I attended Towson University's School Psychology program and completed my Master's and Certificate of Advanced Study in School Psychology in 2013. I continue to have a love of learning and enjoy new challenges and opportunities for growth!
