

MEET THE STAFF!

Monarch Global
Academy

The Basics!

My Name is Ms. Christa Cianchetta and I am a new first grade teacher at Monarch Global Academy! This will be my 3rd year teaching but my first year as a first grade teacher: I spent the past two years teaching 4th and 5th grade math in addition to Guided Reading, Science, and Small Group Math instruction for 2nd-5th grades at Meeting Street Academy in Charleston, SC. I am originally from the Eastern Shore of Maryland and moved to Charleston after graduating college to pursue my goal of living in Charleston. I returned to Maryland be a part of the Monarch Global Academy team and to be closer to my family.

My Childhood!

I am the youngest in my family with three years difference between my sister and I. My fur sister, Precious, is turning 13 years old this November and has always been a big part of our family's life.

My Education!

From an early age, I have always enjoyed learning. I earned my undergraduate degree in Elementary Education from Salisbury University. I am looking forward to learning more about PYP and project based learning this year!
