

# MEET THE STAFF!

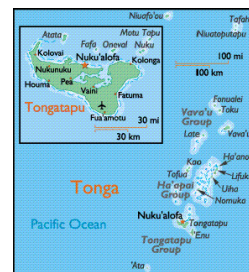

Monarch Global Academy

## The Basics!

My Name is Chiara Collette and I am very excited to join to staff at Monarch Global Academy as a Kindergarten teacher. Before joining MGA, I worked for a year teaching first grade in Baltimore City and spent two years as a Peace Corps volunteer teaching English in the Kingdom of Tonga. I live in Baltimore City with my boyfriend of three years who I met in the Peace Corps.

## My Childhood!

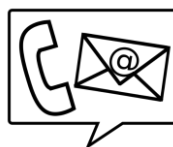

My parents were international school teachers, leading me to spend childhood all over the world: in Florida, Romania, Italy and most extensively Indonesia where I spent 12 years and lived from 1<sup>st</sup> to 12<sup>th</sup> grade before moving to Maryland for college.

## My Education!

In Indonesia, I attended a PYP –type school and am exciting to be back in the PYP community. I earned my undergraduate degree in Elementary Education from Goucher College, I also was certified in teaching English as a second language during my time in the Peace Corps. Currently, I'm working on adding to my Early Childhood Education knowledge!
