

MEET THE STAFF!

The Basics!

My name is Mrs. Cristina Black! I am a very proud 2nd grade teacher at Monarch Global Academy. This will be my 4th year as a second grade teacher at MGA but my 15th year as a teacher: 2 1/2 years in Baltimore County, 3 years at a private school in Prince George's County, and 6 years at Manor View Elementary School. Throughout my teaching career, I taught first grade for 1 1/2 years before "looping" with my students to second grade; where I've been ever since.

My husband, Tommy and I have 2 children:

Luke, who is in 5th grade and Hope, who is in 4th grade.

Tommy and I both have 1 sister and he has a brother as well.

We have 5 nieces, 3 nephews, and recently became dog owners to an adorable silver lab. I am extremely excited for this school year and can not wait to start teaching my awesome new 2nd graders!

My Childhood!

I was born and raised in Anne Arundel County, where my parents and sister also live. Since I was in 3rd grade, I've wanted to be a teacher. In high school I enjoyed playing softball and field hockey.

Favorite team ever!

Mrs. Morris, Mrs. Black, Ms. Caines, & Mr. Guley
