Monarch Global  
Academy

## The Basics!

My Name is Miss Danielle Loyd. I am entering my 4<sup>th</sup> year of teaching and very very excited to be apart of the MGA family. Over the summer I went on a solo Eurotrip and have truly found a love of travel. I live in South Baltimore and absolutely love everything about the Baltimore Ravens! I share my home with my future husband, Brian, and our 3 furry babies- Piper, Buddy and Lily. I am a very active person and I enjoy going to the gym, kayaking, riding my bike, skate boarding and playing flag football. Relaxing and hanging out near/on the water is my absolute favorite place to be.

## My Childhood!

My parents were in the Air Force so we moved around a lot when I was younger- I went 4 different elementary schools! We lived in Nebraska, Texas, Kansas, Michigan until we moved to Maryland. I was the only girl with two brothers until my parents adopted my sister from Russia when I was a junior in high school.

## My Education!

I am truly a life time learner! I'd rather read a book than watch a movie. I graduated with my BS in Physics with a minor in Mathematics from Salisbury University in 2010. Teaching fell into my lap in 2012 and have been very happy with my career change ever since. I am currently working on my Masters in Education.
