

Monarch Global Academy

MEET THE STAFF!

The Basics!

Hello! My name is Emily Abell! I am the newest Assistant Principal of Monarch Global Academy! This will be my 11th year in education and my 9th year with AACPS. I began my career teaching general music, strings and emergent reading interventions in the Washington Elementary School District in Phoenix Arizona. When I moved to Maryland, I taught general music for 4 years before becoming a Right Start Advisor at schools in the Glen Burnie and Meade clusters. I am married to Brian Abell and we have two children: Eloise, who is a vibrant 3 ½ year old interested in princesses, dancing, art and reading; Easton, who is 1 and loves balls, wheels and his big sister.

My Childhood!

I grew up in Chelsea, Michigan with my parents and younger brother, Andrew. I moved to Arizona to escape the cold after graduating from Michigan State University. But, after a few years in the desert, I moved to Maryland with my husband. I love to swim, bike and run, and have completed two IRONMAN triathlons.

My Education!

I earned my undergraduate degree in Music Education from Michigan State University. I later earned a Masters in Education in Teacher Leadership from National University and became a National Board Certified Teacher. I then completed my Administrator 1 certificate from McDaniel College. I like to attend relevant conferences and trainings and put new theories and strategies into practice. Currently, I am working on building my knowledge of state testing and school security!

My Favorites!

- Food:** Watermelon
- Movie:** Forest Gump
- Book:** Training Camp
- Color:** Teal
- Drink:** *Water & Coffee*
- Season:** *Fall*
- Sports:** *Triathlon*
- Fast Food:** *Mexican*
