Monarch Global Academy

The Basics!

My name is Emily Batchleor and this is my third year at Monarch Global Academy. Most of my background has been with 4th grade and I love teaching in this grade because of how much students are able to grow as individuals during the ten months we have together. Before MGA, I taught in Baltimore City in Maryland and in Lancaster City in Pennsylvania. I got my Bachelors of Science in Elementary and Special Education from the University of Nevada, Reno (GO WOLF PACK!). Last year, I got married to my husband Jonathan and we welcomed our first child, Kyan James on the last day of the 2016-2017 school year. We also have an adorable beagle/terrier mix named Reggie.

My Childhood!

I am the eldest of my siblings. I have a younger brother that lives in Indiana and my younger sister is a freshman in collegel. My parents were both born in Maryland and then moved to Virginia after their wedding. I was raised in Virginia until I was in high school and then my family moved to Reno, Nevada for my Dad's job. I moved back to Maryland to become a teacher!
