

MEET THE STAFF!

The Basics!

My name is Mrs. Eva Landgraf! I am fortunate to be one of the front desk secretaries at Monarch Global Academy. This will be my 3rd year at MGA but my 6th year as a secretary for Monarch Schools. Before being a secretary for Monarch, I had the privilege of staying home with my fabulous three children. Joey is 23, currently attending Villanova for his masters in history, Jake is 18, and just started at UMBC, majoring in Physics and education, and Anna is a junior at North County High School. I am blessed to be married to Paul Landgraf, who is in management at Pepsico. The newest addition to our family, is Pumpkin, an orange tabby kitten☺

My Childhood!

I have spent most of my life in Maryland. I went to elementary at Cape St. Claire ES, spent most of middle school on Kent Island, with a few months in Ohio and New York, and went to high school in Linthicum, where I have resided since.
