Monarch Global
Academy

The Basics!

My Name is Mrs. Janelle Panizari. I am a 3rd grade teacher at Monarch Global Academy. I have been in education for the past nine years; two years here at MGA teaching 5th grade and seven years at Brock Bridge Elementary where I served many roles as 2nd grade teacher, principal's secretary, IEP clerk, and teacher's assistant in special education. I am married to James Panizari, also a teacher; teaching at Manor View Elementary. We have four children. Our oldest daughter Courtney is a senior in high school and ready to journey into a college to explore marine biology. Our daughter Hailey is the artist of the family and a sophomore in high school this year. James is our oldest son, a freshman this year in high school and looking forward to the challenges ahead. Our youngest son Anthony, our musician, is a 7th grader at Brooklyn Park as a vocalist in the PVA program.

My Childhood!

I was born and grew up here in Maryland. My fondest moments as a child were spending time with my grandmother who was also a teacher and listening to her tell such wonderful stories.

My Education!

I am a life long learner; always asking questions and seeking knowledge to learn new things! I pursued my college education at the University of Phoenix, earning my bachelors degree in Elementary Education. As I set goals for the future, I am currently looking for a program to begin my graduates degree.
