

MEET THE STAFF!

The Basics!

My name is Jennifer McCarthy, and I have been an educator since 2005. I started my career as a 3rd grade teacher in Hillside, NJ. After Hillside, my now-husband and I moved to Jersey City, so I chose to work in Jersey City, too, as a 4th grade teacher. I then spent time teaching 5th grade in Chicago, 4th grade in NYC, and 1st grade in New Jersey. A little over a year ago, my husband and I moved to Maryland, bought a house, and have planted our routes. I taught 6th grade at MGA last year and am currently teaching 6th grade!

My husband, Dan, my 3 year old, Desmond, and I live in Catonsville and we love it! Close access to a city was essential for us. We have a pug named Maki and a cat named Selkie. We just love it here!

My Childhood!

I hail from the lovely state of NJ! I grew up with my sister, Allison, and both of my parents. I can't remember a summer when we weren't outside playing, only to come home for a quick bite. Being young in the 80s was so much fun!
