Monarch Global
Academy

The Basics!

Hi, my name is Mrs. Jaime Mierzwa! I am the reading specialist at Monarch Global Academy. This will be my 3rd year as the reading specialist of MGA, however this is my ninth year teaching in Anne Arundel County. I previously taught 4th grade at Crofton Elementary, and 1st and 3rd grade at Hebron-Harman Elementary. I am married to my husband, Lenny Mierzwa and I have two daughters, Kami and Lexi. I also have a dog named, Ziggy. We live in the Russett community and enjoy seeing familiar faces when we go on our daily walks or to the park.

My Childhood!

I grew up in Northampton, Pennsylvania with my two older brothers, Justin and Ryan. I joined cheerleading in elementary school and participated throughout high school and even continued my passion in college. I also coached cheerleading and gymnastics. It was exciting to work with children and inspire them in a sport I was passionate about as well. From a young age I knew I wanted to work with children and become a teacher.
