The Basics!

My Name is Mrs. Ledford. I am a Kindergarten teacher. This will be my 17th year as a classroom teacher. Most of my experience is in the primary grades. I first taught in Baltimore County Public Schools for nine years and have been in Anne Arundel County Public Schools ever since. I am married to David Nunan. We have one son and his name is Landon. Landon is three years old and will be four in October. Landon goes to The Goddard School. Our favorite season is fall. We do many things as a family in the fall. As a family, we love football, trips to the farm and go on vacation.

My Childhood

I am the youngest person in my family. I have one brother "Calvin" who is two years older than me. Growing up we had many similar interests since we were so close in age.

FSU

My Education!

I completed my undergraduate degree at Frostburg State University in Early Childhood/Elementary Education. I also attended Frostburg State University for my Masters degree in Curriculum and Instruction with a Specialization in Educational Technology. I often attend professional developments/workshops in Anne Arundel County Public Schools to continue my learning.
