

MEET THE STAFF!

The Basics!

My Name is Ms. Keriann McGettigan! I am a second year teacher here at Monarch Global Academy. This will be my 3rd year teaching! I moved to Baltimore from New Jersey in July of 2015 and I have loved living in a new city. I am the youngest of 3; I have an older brother, Liam, and an older sister, Maura. In July of 2016, in addition to moving, I became an aunt for the first time to my adorable goddaughter, Scarlett Rose. This past summer, I became an assistant coach for the Girls Varsity Soccer Team at St. Vincent Palotti in Laurel, Md.

My Childhood

I was born in Philadelphia, Pennsylvania and moved to Cinnaminson, New Jersey when I was in grade school. I was a very active and adventurous child who loved school! I grew up playing competitive soccer, traveling the country for tournaments on the weekends.

My Education!

- I've wanted to be an educator ever since my toddler days of pretending to teach to my stuffed animals in my basement! I earned a dual undergraduate degree in Elementary and Special Education from Mount Saint Mary's University where I was a four year student athlete. This is my third year teaching and my second year teaching first grade! Prior to teaching first grade, I taught pre-kindergarten special education at an Autism school in Philadelphia. My goal for the near future is to go back to school for my masters in special education.
