Monarch Global

The Basics!

My Name is Ms. Kelsey Webb and I LOVE teaching general music/chorus at Monarch Global Academy. This will be my 2nd year at MGA. I have always wanted to teach music—ever since I was in 5th grade band myself. I am originally from Cecil County Maryland. I have one younger sister named Emily Webb and she works at Monarch Global too, as a kindergarten teaching assistant. My sister and I have a 15 year old Jack Russell Terrier named, Rosie.

My Childhood!

I grew up in Cecil County, Maryland and spent a lot of time in Delaware visiting my dad. I used to take lots of hikes through the nature centers and I was an avid horseback rider. I always loved music and playing in band. The clarinet was my favorite!

My Education!

Studying music education was thrilling and challenging! I earned my undergraduate degree in Music Education from West Virginia University, where I also participated in the 400 member marching band— The Pride of West Virginia. I enjoy attending music workshops that provide me with diverse repertoire for my music classroom. Currently, I am looking for a community ensemble so that I can play my clarinet in a group again!
