The Basics!

My name is Lauren Grace. I am an instructional guide at MGA. I feel so lucky to work with teachers to improve their practice. I am also the coordinator of the Highly Able Program. I work to ensure that all of our learners are challenged and engaged.

I have taught grades one through four. Before working at MGA, I lived in London, United Kingdom where I taught children from all over the world at an international school. Prior to that, I taught at Monarch Academy in Glen Burnie. I am passionate about inquiry-based instruction and am so glad to be part of the MGA family!
