

MEET THE STAFF!

Monarch Global
Academy

My Name is Mrs. Leslie Zuercher-Sublett. I am the Special Education Department Chair of Monarch Global Academy. This will be my 3rd year as the Department Chair/Special Educator of MGA. Prior to coming to Anne Arundel Public Schools, I participated on a testing team in identifying students with disabilities, and taught 4th grade and special education at the elementary level. I also spent 16 years as a Special Education Coordinator, serving part of that time as a staff member of an Area Superintendent in Wichita Public Schools. I am married to Steven Sublett, and we have 2 adult children: Andy, who lives in Irvine, California and Alex, who lives in Phoenix, Arizona. We also have a Border Collie named Sissy, English Bulldog puppy named Blue and 2 cats. I love to travel to Mexico and enjoy learning more about the language and culture of the Mayans.

My Childhood!

I was born in Wichita, Kansas, and came to Maryland when I was in High School as my mother worked for the Kansas Senator.

My Education!

I have always enjoyed taking classes and learning new things. I earned my undergraduate degree in Special Education and Elementary Education from University of Maryland. I attended Wichita State University, in Wichita, Kansas, where I earned a Masters degree in Educational Psychology. In addition, I earned my certification in Supervision of Special Education programs. I like to attend conferences dealing with special education law in order to stay current on the laws that protect our children.
