

MEET THE STAFF!

The Basics!

My Name is Mrs. Maggie Gray! This is my second year teaching, but my first year at Monarch Global Academy! I am so excited to begin this year in 1st grade with such amazing staff and students! I previously taught preschool in Virginia, which I loved! I moved up to Baltimore to be with my husband. We just got married this past July! I love living in the city and being able to explore a new town. It is going to be such a wonderful year!

My Childhood!

I was born and raised in Readington, New Jersey. My parents, older brother, Bryan, and two younger sisters, Carolyn and Janie, still live in New Jersey! Even though our town did not have much to do, I loved living in Central NJ because we were just an hour to the closest beach and an hour train ride to New York City!

My Education!

I left New Jersey for the south when I went to college! I attended James Madison University and received my Bachelor's and Master of Arts in Teaching in Inclusive Early Childhood Education. I am certified in Early Childhood Special Education, as well as Elementary Education. I also stayed at JMU and completed Behavior Analysis coursework in order to become a Board Certified Behavior Analyst. My last step is the exam! I am passionate about special education, behavior, and meeting the needs of every single student!
