Academy

## The Basics!

My Name is Mrs. Nisa Morris. Some of you know me as Ms. Langston, but I got married last November to Miles Morris! We have two cats (Corwin & Kitty Girl) and we are excited to be expecting our first baby this January! This year marks my 4<sup>th</sup> year teaching and my 4<sup>th</sup> year at MGA. I spent my first two years teaching kindergarten. This will be my second year in second grade with my fabulous team! I am very excited to work with some of the same students I taught my second year of teaching, as well as continuing to build relationships with my new students and families. My students will tell you that I can be very silly, I tell lots of stories, I have a song for everything, and I LOVE to read/teach reading. I am currently studying to be a reading specialist through a masters program at Goucher University. I can't wait for another great year filled with fun memories at MGA!

## My Childhood!

I was born and raised in Maryland. Both of my parents were in the Airforce. I was born at Andrew's Air Force Base in PG County. We moved to Annapolis when I was three, where I attended AACPS until college. I am #AACPSAwesome! In my childhood, I participated in gymnastics, lacrosse, and basketball.

## My Education!

I always knew I wanted to be a teacher-just didn't always know where I wanted to study. My first year of college I attended a small teachers college in West Virginia (Fairmont State University). I studied Elementary Education for a year before realizing I was completely homesick. I finished my bachelor's degree at Towson University (Early Childhood Education). Go Tigers! Throughout college, I worked for Baltimore County Public Schools as a Special Education Assistant.
