Monarch Global
Academy

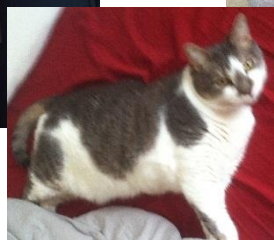

The Basics!

My Name is Trish Medeiros and I am a 5th grade teacher at Monarch Global Academy. This is my 13th year in Anne Arundel County but my 17th year as a teacher. I started in Prince Georges County and I spent 2 years teaching 4th grade and 2 teaching first grade. I moved to Woodside Elementary in 2002 and taught 2nd, 4th, and 5th over the course of 6 years. I then moved to Tracey's Elementary and taught 5th grade for 4 years. I was thrilled to join MGA when they opened and this will be my 3rd year here teaching 5th grade. I am very close to my family and they live very close to me so we spend a lot of time together. I have a brother named John and a sister named Sande. Every Sunday night is "Family Dinner" at Mom's house.

My Childhood!

I grew up just 20 miles from MGA in Gambrills, Maryland. I went to Four Seasons Elementary, Arundel Middle, and Arundel High School. I did gymnastics until I was 9 and swam on the swim team until I graduated from high school. I spent 3 years on the marching band playing the flute and mallet percussion.

My Education!

I have always known that I wanted to be a teacher so it was no surprise when I went to Salisbury University and studied at the Siedel School of Education. I earned my bachelors in Elementary Education in 1999. I have since completed several graduate level courses with an emphasis on behavior management and class culture and earned my Master's Equivalency in 2009. I am currently working on earning my National Board Certification.
