

MEET THE STAFF!

Monarch Global
Academy

The Basics!

My name is Mrs. Sarah Bentivegna! I am a Special Education Resource Teacher at Monarch Global Academy. I support students in a variety of grade levels by co-teaching, working with small groups, and providing interventions, across subject areas. This is my 3rd year at MGA, and my 15th year teaching in Anne Arundel County Public Schools. In Glen Burnie, I taught at Woodside Elementary for 8 years, co-teaching and supporting students in Pre-K – 5th grades, and at Freetown Elementary, as an Early Childhood Education (ECI) teacher, for 4 years. I have coached a variety of after school clubs over the years such as; movement and running, arts and crafts, math and book clubs. I am married and have two children, who both attend MGA. At home we have two German Shepard dogs, one cat, and two tanks of fish!

My Childhood!

As a child, I lived in Maryland and California. I regularly traveled between both states to spend time with my family and friends. I enjoyed being outdoors, staying active, and creating crafts and projects.

My Education!

I love to learn new things - especially when they are taught in an interesting way – that is why I wanted to teach at MGA! I attended two years at San Jose State University, in CA, and then transferred to the University of Maryland College Park, where I earned my Bachelor of Science and Master in Education, both in the area of Special Education.

Additionally, I have earned my Reading Teacher Certification at Goucher College and my Administration Certification at Johns Hopkins. I like to attend conferences and trainings to gain new information and strategies. I greatly enjoy expanding my knowledge in the areas of outdoor education and hands-on learning opportunities. Currently, I'm working to build my Middle School knowledge as I support 6th grade across subjects this year!
