

MEET THE STAFF!

Monarch Global
Academy

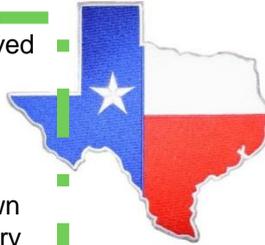

The Basics!

My name is Simmons Prieskorn and I am the Elementary Spanish teacher at Monarch Global Academy. Before coming here, I taught Spanish at Southgate Elementary. I have always loved the Spanish language and have been exposed to it throughout my life while traveling to Spanish speaking countries such as Spain, Argentina, Uruguay, and various countries in Central America. I'm originally from Texas although I have been living in Annapolis for the past two years now (I LOVE living there as I have great friends, but I'm still not accustomed to the winters!). I love traveling and being active in any form, be it running, dance, hiking, kayaking, etc.

My Childhood!

- I was born in Portland, Oregon, and then moved to Texarkana, Texas where I grew up. My parents are still in Texas with my youngest brother who is still in high school, and I also have a sister who is a senior at Samford University and an older brother who lives down the street from me. I'm fortunate to have a very close family even though we are currently scattered around the US.

My Education!

I graduated from Baylor University in Waco, Texas in 2013. I really enjoyed my college experience and met some of my best friends who I still make a point to visit. I studied and graduated with a degree in Spanish Education. I was fortunate to be able to study abroad in Spain one summer, and I fell more in love with the Spanish language and culture. I furthered my cultural education after graduating by moving to Buenos Aires, Argentina where I worked for a year in a social work program in an impoverished community. I loved and cherished living abroad and experiencing the language and culture first hand.
