

MEET THE STAFF!

Monarch Global
Academy

The Basics!

My name is Mrs. Vicki Brandon! I am so excited to be apart of the Monarch Global Academy team. This will be my 2nd year as the STEM Instructional Guide at MGA. Before being an IG, I taught third, fourth, and fifth grades at MGA and Oakwood Elementary School. I am married to Bill Brandon, and we just had a son in May. His name is Ben. He is a happy baby that loves to smile and laugh! We love to travel and enjoy taking trips. Camping and hiking in Western Maryland are some of our favorite weekend trips. We are very close to our family and enjoy spending time with everyone.

My Childhood!

I was born in Maryland and lived in Montgomery County for the first few years. Then, my family moved to Massachusetts for three years. We moved back to MD when I was in third grade. I went to Paint Branch High School and enjoyed playing basketball. We were the state runner-up my junior and senior years!

My Education!

"Never stop learning because life never stops teaching." There are many opportunities to continue learning as an adult! I earned my undergraduate degree in Elementary Education from Salisbury University. I earned a Masters in Educational Technology from Loyola University. Going to technology conferences and trainings are fun! I love learning about new ways to use technology in the classrooms!
