

The Space Telescope Science Institute's Youth for Astronomy & Engineering Program(YAE) invites you to

STScI | SPACE TELESCOPE SCIENCE INSTITUTE

Family Night at the Institute

Please join us on one or more of the following dates from 6:00 p.m. to 9:00 p.m. and learn more about astronomy and/or engineering, followed by an opportunity to engage in star observations through the Morris W. Offit Telescope, one of the biggest telescopes in Baltimore (weather permitting)!

Astronomy Dates

Friday, June 28, 2019

Friday, July 26, 2019

Engineering Date

Friday, July 12, 2019

These events are **FREE** to attend; however, **registration is required to guarantee your seat.**

Voluntary Data Request

*** Please provide the Voluntary Information for student participant(s) only.**

Space Telescope Science Institute receives funds from the government and grants from other organizations to perform its work and provide programs, like this program, for the community. Part of receiving funds for these programs requires us to demonstrate that these programs are available to and used by a broad cross-section of the public. The following requested information is helpful to us in our reporting about this broad impact. We would appreciate it if you would consider providing this information with your registration.

The data provided will be kept confidential and anonymous. It will only be used for the purpose stated in this paragraph. No individual information will be shared outside of this specific program.

Providing this information is **completely voluntary and will not affect your ability to participate in any way.**
Thank you for your consideration.
