Suggested items to have available at home

(Note: School provides these items in the classroom but students cannot take them home)

- TI-84 Graphing Calculator (Silver Edition or CE)*

*Students will be using the graphing calculator starting in 8th grade through high school and beyond. Graphing calculators are available in the classroom and they are not required to be purchased, but students are strongly encouraged to get their own so they can quickly become more comfortable with the technology and practice using it at home and in school.

Donations to all grades may include: ziplock bags, pencils, sticky notes, graph paper, sheet protectors
